At GUIYANG/Longdongbao airport (ZUGY), a new RWY is under construction, east to the current RWY01/19. Some instructions are shown as follows:

1. Estimated Time for the first stage of construction: from Sep, 2019 to Jun, 2020.
2. Estimated Time for the second stage of construction: from Jun, 2020 to Oct, 2021.
3. In the second stage of construction, the current RWY01/19 will be closed, and the new RWY will be put into use.
4. The actual construction area will be larger than which is shown in the attached chart.
5. In the full stages of construction, there'll be construction activities in the current operation areas.
6. See NOTAMs for more specific information of working scope and time.
